

"The lives of pets should be measured not in years, but in grace... and by the love they leave behind."

Mr. Sohn,

I'm so sorry for your loss. The few times I got to work with Mopsey I was so touched by the special relationship you, Mopsey, and Rufus shared. It is a very unique connection that I sincerely admired. The Rehab team will deeply miss Mopsey!

Mr Sohn,

Deepest sympathy over the loss of mopsey. She was a very special girl. During these difficult times, I hope you and Rufus are able to find solace in your faith + your memories of her. Warmly, Danielle Conway, DVM

Mr. Sohn,

I am so sorry for your loss. Mopsey was a special dog, who touched the hearts of all he met. Hope you and Rufus find peace in his memories.

Love, Lesley
